Scoring:

The virtual GP will have five race distances on popular pre-set courses throughout Santa Barbara. Best 3 events will be scored for timing. The 2020 Races:

- **1 Mile Race.** Much like our beloved State Street Mile, the 1 Mile race will be a net downhill course starting at the top of Glen Annie Road.
- **5k Race.** You guessed it... the traditional Nite Moves 5k course!
- **5 Mile Race.** This will be a fun and challenging one! Out and Back on Farren Road (aka - Up and Down!)
- **10k Race.** A little dirt, a little road and great views throughout Lake Los Carneros Park and surrounding neighborhood.
- **1/2 Marathon Race.** Starting/ending on the McConnell's course we've extended the route along the Goleta Bike Path known as the Obern Trail.
